Hamdan bin Mohammed

Award for innovation in project management

About

The Hamdan Bin Mohammed Award for Innovation in Project Management was launched in 2015 under the patronage of H.H. Sheikh Hamdan bin Mohammed bin Rashid Al Maktoum, Crown Prince of Dubai and Chairman of the Dubai Executive Council. The award has a vision to become an international hub for innovators, professionals & corporations to adopt best practices in the excellent execution of projects. It also encores a platform to discover, encourage, promote innovation in Project Management. The award targets the international business community of Project Management Professionals and Specialists involved in the management of projects, programs, or portfolios where they can participate as Individuals, teams, or organizations.

General Rules and Conditions

- All applications should be submitted within the stated submissions period.
- There are no application fees to apply for any of the award categories.
- The same project/program/portfolio can be used to apply for more than one award, given compliance to the individual award's eligibility criteria.
- Each application must have a complete submission for at least one innovation area.
- Each application may include submissions for multiple innovation areas of the same project/program/portfolio.
- Incomplete applications will be disqualified and will not be evaluated.
- Applications must be filled in English: applications using other languages will be disqualified and will not be evaluated.
- Projects/programs/portfolios used in the submitted application must not have a completion date longer than 48 months prior to the date of application submission.
- Programs/portfolios used in the submitted applicant that are still ongoing must have produced sufficient results to demonstrate the impact of the innovation achieved by the applicant.
- All project information submitted in the application must be the product of the applicant's work and effort.
- Applicant must obtain permission from the sponsor/owner of the submitted project/program/portfolio.
- There shall be one designated lead nominator whom the Awards Team will communicate with regarding the application.
- All supporting materials and evidence must be submitted at the time of completing the application and clearly referenced and marked. In addition, the Awards Team may ask for additional information which must be provided within 3 working days from the request date.
- The applicant will have the copyright for the submitted content; however, HBM AIPM reserves the right to use some relevant content for promotional and marketing purposes, including but not limited to videos and case studies.
- The Awards Team has the right to award an applicant in different categories/awards.
- The Awards Team has the right to award two or more applicants in the same category.
- The judging panel will consist of experienced experts in their field. Their decisions are final and cannot be disputed by the applicant.
- The allocation of the judging panel members for evaluation of each entry will ensure that there is no conflict of interest. The judges enforce and follow the highest standards of professionalism, fairness and business conduct.
- Any application that does not meet the entry criteria for a chosen category/award will be disqualified.
- The Awards Team reserves the right to withhold any award for a particular year, if the evaluations of applicants indicate that nominations do not meet award standards.
- Each category and individual award has different requirements and eligibility criteria that differ for each award.

Award winners will be announced during Dubai International Project Management Forum
