Total Cash Prizes

Award Goals

Conduct and develop projects using innovative, smart and sustainable solutions.

Award leaders and innovators in Project Management locally, regionally and internationally.

Identify and assess best and innovative practices in Project Management, and the learnings from them.

Provide a platform for participants regarding innovative ideas in this area, and exchange distinctive experiences in Project Management.

Exchange knowledge in Project Management.

Learn from distinctive innovations in Project Management and apply them.

Who should apply?

The Award calls all individuals, teams and organisations who have introduced innovative practices in the management of their projects, programmes or portfolios.

Why should you apply?

To celebrate your successes in innovation in Project Management and get the exposure you deserve.

Apply now to the second edition of the Hamdan bin Mohammed Award for Innovation in Project Management through the following link: www.hbmaipm.com

GENERAL RULES AND CONDITIONS

- Applications must be filled out in English only.
- All applications must be submitted within the stated submission period.
- Incomplete applications will be subject to disqualification.
- No application fees are required to apply for any of the award categories.
- Applications that do not comply with the general rules and conditions will be subject to disqualification.
- Specific eligibility criteria applies to all award categories.
- Projects submitted in the application must be the product of the applicant's work.
- Applications based on submitted projects that are completed must not have a completion date longer than 48 months prior to the date of application submission. Applications based on submitted programmes and portfolios that are still ongoing, must carry sufficient results to demonstrate the impact of the used innovation.
- The same innovation can be used to apply for multiple awards, given each application meets the specific award eligibility criteria.
- All supporting materials and evidence must be submitted prior to the submission deadline and must be clearly referenced. Additional information may be requested, in which case has to be provided within 5 working days from the requested date.
- Written permission for the use of the project information must be obtained from the project sponsor/owner for applications in the individual category.
- Some of the information provided in the application may be used for promotional and marketing purposes, including videos and case studies.
- Decisions made by the judging panel are final and cannot be disputed by the applicant.
- The allocation of the judging panel members for evaluation of each entry will ensure no conflict of interest.
- Awards may be shared between two or more winners within the same award category.
- Awards may be withheld in the event where none of the received applications meet the award standards.

APPLICATION PROCESS

The application process is entirely online, and the application entry along with all submitted material must be provided in the English language.

The Online Application Guide consists of the following sections:

General Rules and Conditions, and specific Award Eligibility Criteria

Application General Information Form

Introduction and Executive Summary

Evaluation Form
